efficiency. Fully integrated
with MEDITECH

ECHO[®] Select Pay for Accounts Payable[™]

Your Fully Integrated Payment Solution

Relieve the administrative burden on accounts payable staff with a payment solution, natively-embedded in workflow, offering immediate ROI.

Best in class

Our best in class payment solution is already available in Meditech AP Expanse and 6.15

Payee choice

Pay your suppliers based on their preferences in our network and hit the ground running- without being reliant on the lengthy supplier enrollment process

Revenue generation

Multiple revenue streams generated from the platform in which you can choose to participate

Tested credibility

We are trusted to process \$140B+ in payments every year

Compliance expertise

We're compliance experts with OFAC screening, HITRUST and AICPA SOC 2 certification, and PCI and NACHA compliance built in

echohealthinc.com

The ECHO Advantage

Enjoy the simplicity of a single feed for all payment types.

Convert costly check payments to a fully digital platform.

Eliminate the pain, risk, and time involved in managing multiple payment streams.

No setup or implementation fees.
